

TIBA + MARL

SS24/AW24 COLLECTION

# TIBA + MARL

## ABOUT

Changing bags that don't look like changing bags.

Contemporary, unisex and functional design that lets parents keep their cool. The multi award-winning collection includes Backpacks for hands-free parenting, holdalls and weekenders that double up as gym bags, overnight bags and hospital bags.

The accessories collection features changing clutches, stroller organisers and bumbags. Kids are not forgotten - little fashionistas are catered for with mini backpacks, snack packs and mini bumbags. Each bag is meticulously designed to merge high-fashion features with utilitarian, considered design to make parenting that little bit easier and a lot more stylish.

Tiba + Marl's collection of award-winning Bags and Accessories is the go-to brand for contemporary parents. Crafted from high-tech materials, vegan leather and bespoke hardware, the range has been created from a variety of certified recycled materials that are derived from pre and post consumer waste, for a kinder footprint. Designed with style and practicality in mind, the collection offers gender neutral styling that merges form and function. Seen on the arms of celebrities, stylists and influencers and on the pages of Vogue, Elle and Grazia - this brand is an essential accessory for parents who want to keep their cool.

## THE ELWOOD TWIN

*Unisex, modern and practical*

Unisex, modern and practical, the award-winning ELWOOD backpack lets you parent hands-free in style. Now available with two insulated bottle holders with twin parents in mind as well as two exterior side slip pockets - available exclusively at [tibaandmarl.com](http://tibaandmarl.com). Crafted from recycled vegan leather and set back to lux gunmetal bespoke hardware, this best-selling backpack is large enough to fit most laptops and it's functional design details works hard for you in any environment, be it playground, office or street. In line with our commitment to sustainability, we use recycled materials made from post consumer plastic waste and recycled yarn.

## THE AXEL

### *The Everything Bag*

A changing bag. A stroller organiser. A shoulder bag. Axel has you covered. Spacious enough for your baby essentials, but not a full on changing bag - for when you want to travel lighter + smarter. Featuring three exterior zip pockets, and two slip pockets on the reverse large enough to carry bottles, plus a highly organised interior that includes an insulated bottle sleeve - this new addition to our range puts function and style as equal denominators. This hybrid style can be converted from bag to buggy organiser with its detachable branded woven cross-body strap and detachable velcro stroller straps.

# THE OZZY

## *New Utility Tote/backpack*

OZZY...Totes has your back! Introducing Ozzy, our new utility tote/backpack. It's clever hybrid design lets you wear this bag as a backpack, or hand-held tote, and can also be clipped to your buggy for hands-free strolling. Water-resistant and full of functional features, Ozzy is constructed from smooth rubberised PU, with black branding and 100% recycled lining. The design is characterised by two spacious pockets upfront (one being fully insulated, and the other featuring an internal mesh slip) providing you with plenty of storage space for parenting essentials. It's main compartment features a laptop sleeve and bottle holders for extra organisation.
